

CREDIT AND EQUIVALENCY SERVICE

International Accreditation Board

IABPE

for Psychology Education

Introduction

IABPE is one of the most widely recognized accreditation bodies in the world. The organization specializes in the field of Psychology, and has been working towards setting higher academic standards in the aforementioned branch of knowledge. We have a team of highly qualified and experienced commission members to ensure educational excellence.

Mission Statement

Our mission is to ensure that the quality of psychology programs taught in universities across the world adheres to the highest standard in terms of curriculum, course module, teaching style and method along with impactful learning and understanding. Our goal is to modify, improve and further develop psychology academic programs so that students can emerge as confident psychology professionals committed towards making positive contributions to their society and community
